

# Beany Got Blamed

BY ANNABELLA

# Who Got Blamed?

Once upon a time there was a wolf. Her name was Beany. She got blamed for blowing down the three little pigs house, but she didn't blow it down. She just had a bad case of the hiccups. That day she was invited to a tea party. When she arrived, she knocked on the door and it opened. The three pigs welcomed her. They started drinking tea. Beany drank the tea too fast and hiccupped so hard the house fell down. After the house fell down Beany ran off.

# April helps

The pigs yelled, “Hey you! Arghhh!” to Beany, but Beany kept on running until she got to April's house. April, her friend, said, “Come in and lock the door”. Beany did because the pigs were outside. They had wooden clubs. April told Beany to run away, so she did with April. The pigs smashed the house down while April and Beany ran away and built a house. The End!
